## Culver City Performing Arts Grants Program Partial List of Performance Venues

Venue arrangements are made directly with the grant applicant and their venue. The City of Culver City does not share responsibility in securing a place for performances or rehearsals. Grant performances must take place in ADA-compliant venues. Grantees may need to obtain special permits, insurance, pay rental fees and hire staff in accordance with the venue. Grant performances are not limited to the venues on this list. Contact [Culver City Cultural Affairs](#) staff to discuss creative indoor and outdoor venue ideas.
